# Saona Island

The tour starts with a bus ride from Punta Cana to Bayahibe beach, where the speedboats will zip you out towards Saona Island. On the way to the island, the speed boats will stop in a breathtaking natural pool between Bayahibe and the island, where everyone can enjoy drinks as they lounge in the warm waters of this idyllic place, enjoying the peace, the view and starfish the size of dinner plates. On Saona Island, you will enjoy a beautiful beach, virtually untouched, where you can bask in the sun, swim and have fun with recreational activities carried out there: volleyball, music to dance merengue, salsa, and bachata, among others. For lunch you will partake in a delicious buffet. National drinks (local beer, rum, coca cola, sprite and water) will be served during the time on the island.

For the return trip to Bayahibe you will enjoy a leisurely cruise on a catamaran, with music, dancing and fun for all
